Presiding Judge: HON. ALLISON E. JONES

Associate Judges: HON. SARA W. COMBS and HON. LARRY E. THOMPSON

Appellants appeal from two orders of the Fayette Circuit Court granting summary judgment to Schneider Electric and Union Carbide Corporation arguing the two companies did not possess a duty of ordinary care or a duty to produce a non-defective reasonably safe product. Additionally, Appellants appeal the trial court's order excluding certain expert opinions because they were disclosed at deposition instead of formal expert disclosure. Cross-appeal involves whether Appellants asserted a claim against Schneider subject to the Kentucky Workers' Compensation Act.
