RE: FAYETTE COURTS' Civil and Family DOCKETS

Unfortunately, due to the implementation of the Kentucky Courts 3 System, we are unable to produce the summary dockets. But great news, you can access Individual case information can be found through the CourtNet system, utilizing each Attorney's KBA number.

CourtNet 2.0

The app lets users search civil and criminal cases online and is intuitive and easy to use. It offers detailed case information; active and closed cases; citation images; visual flags for warrants, summonses and failure to appear; search results grouping for quick reference; and the ability to re-execute the last 10 searches.
